**RE: FOIA Request; Certified Copies of Registration Certificates; Notices and
Permission for Bait Products**

Dear FOIA Officer:

Pursuant to the Freedom of Information or Open Records Act, please provide information to us that is germane to pending litigation we have filed on behalf of clients seeking representation of Alabama consumers. In this regard, we are in need of the following information which we believe in good faith to be in the possession of the EPA.

1. Please produce certified copies of all registration certificates, efficacy data, notices and permission to homeowners for (an) experimental study on their home for the following bait products:

- a. Chlorfenapyr
- b. Phantom
- c. Propylene glycol

We have endeavored to tailor this request narrowly to include only those items that would be responsive to our actual needs. This is a written assurance of payment in the amount of \$100.00 for the requested documents. Please notify me or my assistant, Antanette McCray, if the fees exceed this amount.

Sincerely,

/s/ Thomas F. Campbell
